

ROMFORD AUTISTIC GROUP SUPPORT

RAGS

Supporting Families in Havering

We are the only independent parent lead support group for families in Havering living with Autism/Asperger's Syndrome

RAGS offers a support network for families who have a member with a diagnosis of an autism spectrum condition or who are seeking a diagnosis.

Our board of Trustees is made up of local parents and experienced professionals in the field of autism.

RAGS welcome families that may not meet the criteria for support elsewhere.

Autism is a condition that impacts on the whole family so RAGS welcomes siblings to our activities too.

RAGS are completely self supporting, and rely entirely on donations, fundraising and membership subscriptions.
